

# Taste of Ferrybank

*Taste Ferrybank at the grotto where  
people stand and pray.*

*Taste Ferrybank in the parish hall  
where children go to play.*

*Taste Ferrybank in our school where  
we go to learn all day.*

*Taste Ferrybank in the scout hall  
where the leaders get no pay.*

*Taste Ferrybank in our school where  
we all have got a say.*

*If you're only visiting,  
You would want to stay.*
