## Canon Crotty Retires

Canon James B. Crotty has retired as Parish Priest of Ferrybank. He officially retired on Saturday 29th September after serving the community of Ferrybank as PP since 1993. He was a member of our school's Board of Management for all those years and was Chairperson until 2003. He was ordained a priest in 1966.

A retirement is the end of one life in exchange for another. We want to thank Canon Crotty for his years of dedication and hard work. We acknowledge how generous he was with his time for our school. When he came to Ferrybank, our school was a small village school with 5 teachers. During Canon Crotty's tenure it grew into the big multicultural school it is now.

Canon Crotty embraced everyone in all their joys and sorrows. He gave us the gift of his time. For all his wise counsel and words of encouragement we will be forever grateful. He embraced and could relate to all age groups. He celebrated our liturgies with us. We will miss his wisdom and experience but most of all we will miss the encouragement he has been to us. His spirit and energy will always guide us to move forward.

For his dedication and hard work he deserves the best retirement and we wish that for him.

Mid-term break begins on Thursday  
25th October at 12.00

## Fr. Kieran O'Shea P.P.

We extend a céad míle fáilte to our new Parish Priest, Fr. Kieran O'Shea. We wish him well in all his work in the years ahead in Ferrybank, especially in his dealings with our school.

We also send our best wishes and congratulations to Fr. Raymond Dempsey who has taken up his new position as Parish Priest of Inistioge.

## Parents Association

All parents are welcome and encouraged to join the Parents Association Committee.

Ideally each class should have representation. We would encourage parents from all classes to join the committee.

The Parent Association will work together with the Principal, Staff, Board of Management and all parents to build effective partnership between home, school and the local community to ensure the best possible education for their children. We aim to offer all parents the opportunity to contribute towards enhancing their children's education through various activities within the community throughout the school year.

The purpose of our Parent Association is to provide a structure through which the parents/guardians of the boys in our school can work together for the best interest of their children. Our association works in co-operation with the Board of Management, principal, teachers and pupils of St. Mary's BNS to build an effective partnership between home and school.

Our Aims are:

1. To promote general interest in the welfare of the school.
2. To run functions of educational & social value for parents/guardians and pupils
3. To run functions that will provide finance to improve school facilities and resources.
4. To organise and facilitate extracurricular activities

All parents or legal guardians of students attending the school have a right to be a member of the Association. If you are interested in being part of the Parents Association Committee please contact the Principal, Jackie in the office or your son's class teacher. Our new parents' Association will be ready soon. Sincere thanks to the parents who have already agreed to be members of the committee. There's still time to join them.....

## Contact Details

Please ensure that any change of address or phone numbers are given to the office. It is vital that we have correct phone numbers for all parents/guardians. You wouldn't believe how many wrong numbers we get so please make sure that we have your correct details.

## Meeting the Class Teacher

If you wish to discuss anything regarding school with either the class teacher or myself please make an appointment with Jackie in the office. It isn't fair to try to discuss any issues when the teacher has a class to teach. Neither is it fair on yourself. Please arrange a convenient time for meetings.

## Gaelic Football

Our Under 13 gaelic football team played the semi final today against Glór na Mara in Tramore. In the group stages our team had great victories over St. Paul's and Butlerstown. Unfortunately it was a defeat against Killea but we still qualified for the semi final as group runners up.

We also played in the Mini 7s competition but didn't qualify for the final stages.

Our Under 10s have played in two blitzes and these young players thoroughly enjoyed their days out.

John Quinn, the GAA coach, has been in the school for gaelic football coaching the last two Wednesday and will be with us next Wednesday also. That's the reason for the gum shields.

Boys shouldn't be in the playground before this time unless it is absolutely necessary. On wet mornings the boys will be allowed into their classrooms from 9.10 by the Principal. If any children (or parents) are in before that time they should wait in the shed in the senior playground or the sheltered area outside the Infants' classroom. When the school day is finished for the boys the teachers will bring them to the playground where they can be collected by you, the parents.

Well done and thank you to all who cycled, walked or scooted to school this morning, Thursday 18th October. Wednesday was a 'zero waste' day with no bins available. This was organised by Ms Quillinan and the Green Schools Committee as part of Climate Action Week. The Green Schools Committee will continue to work on and lead the way with these and other activities during the year.

## Dressing Up for Halloween

As usual, the boys will be allowed to dress up for Halloween next week. However, parents and guardians are asked to take particular note of the following points:-

- ♦ costumes depicting any character from games/programmes/films that are not suitable for children, that are for over 12s are **not allowed**.

We have always allowed and have encouraged the boys to dress up for Halloween **but under no circumstances will we allow costumes that are not suitable for children or costumes that might frighten some children.**
